

Math::matrice44::rotationX

```
graph LR; A[Math::matrice44::rotationX] --> B[Math::matrice44::scale]; B --> C[Math::matrice44::zero];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'Math::matrice44::rotationX'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'Math::matrice44::scale'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'Math::matrice44::zero'.
